

MAIN TOPIC

New insights in rare gynaecological malignancies

CONFERENCE HIGHLIGHTS

- Conference dedicated to “rare” gynaecological cancers, which comprise half of cancer in this population
- Focus on providing the evidence base to diagnose and manage rare gynaecological cancers including Comprehensive state-of-the art summaries from key note speakers on specific rare cancers
- Up to date scientific reviews on biology, biomarkers, preservation of fertility
- Discussion of unanswered questions, design of future clinical trials, organization (national & international) for management of rare situations

Abstract submission deadline	May 31, 2018
Early registration deadline	June 30, 2018

SCIENTIFIC COMMITTEE

Conference Chairs

Isabelle Ray-Coquard, France
Jonathan Ledermann, UK

Scientific Organizing Committee

David Cibula, Czech Republic
Sandro Pignata, Italy
Denis Querleu, France

REGISTRATION

Registration fees

	Early (till June 30)	Standard (July 1 – Sep 30)	On site (after Oct 1)
ESGO members	350 €	400 €	450 €
ESGO nonmember	450 €	500 €	550 €
Student	300 €	350 €	400 €

The on-line registration is open.

You can register on <https://soaconference.esgo.org/registration/>.

GYNAECOLOGICAL MALIGNANCIES**

OCTOBER 4-6, 2018 | LYON, FRANCE

State of the Art Conference 2018

LYON, FRANCE
2018

**SECOND
ANNOUNCEMENT**

The European Voice of Gynaecological Oncology

PRELIMINARY PROGRAMME

Thursday, October 4

13.30–14.00	Opening ceremony
14.00–14.30	ESGO-ESMO Consensus conference on ovarian cancer standard treatment: final recommendations Chairs: Nicoletta Colombo, Italy & Denis Querleu, France
14.30–15.30	ESGO-ESMO Consensus conference on ovarian cancer standard treatment: final recommendations <i>Nicoletta Colombo, Italy and Denis Querleu, France</i>
14.30–14.50	Rare tumours – organisation and care of patients Chairs: Jonathan Ledermann, UK & Isabelle Ray-Coquard, France
14.30–14.50	Approaches to treatment – organisation and central review <i>Mojgan Devouassoux, France</i>
14.50–15.10	National and international registries & epidemiology <i>Domenica Lorusso, Italy</i>
15.10–15.30	Quality of life and late treatments effects <i>Florence Joly, France</i>
15.30–16.00	Keynote – Molecular genetics of rare gynaecological cancers <i>David Huntsman, Canada</i> Chairs: Jonathan Ledermann, UK & Glenn McCluggage, UK
16.00–16.30	Coffee break
16.30–17.30	Symposium 1
17.30–18.30	Genetics Biomarkers and Personalising Care Chairs: Nicoletta Colombo, Italy & Florence Joly, France
17.30–17.50	Biomarkers – prognostic and predictive <i>Jonathan Ledermann, UK</i>
17.50–18.10	Fertility preserving strategies in rare ovarian cancers <i>Philippe Morice, France</i>
18.10–18.30	Hereditary syndromes, genetic testing and gynaecological cancers <i>Nicoletta Colombo, Italy</i>

Friday, October 5

08.30–10.35	Rare Ovarian Tumours – State of the Art Chairs: Mojgan Devouassoux, France & Antonio González Martin, Spain
08.30–08.50	Keynote – Pathology of low grade tumours <i>Glenn McCluggage, UK</i>
08.50–10.35	What is known and unknown – ‘Quick fire’ Chairs: Ana Oaknin, Spain & Michael Seckl, UK
08.50–09.05	Low grade serous tumours <i>Ana Oaknin, Spain</i>
09.05–09.20	Clear cell ovarian cancer <i>Jonathan Ledermann, UK</i>
09.20–09.35	Mucinous cancers and pseudomyxoma peritonei <i>Ate van der Zee, Netherlands</i>
09.35–09.50	Sex cord-stromal tumours <i>Isabelle Ray-Coquard, France</i>
09.50–10.05	Squamous cancers arising in teratoma <i>Domenica Lorusso, Italy</i>
10.05–10.20	Female germ cell tumours <i>Michael Seckl, UK</i>

10.20–10.35	Small cell carcinoma of ovary <i>Antonio González Martin, Spain</i>
10.35–11.00	Coffee break
11.00–12.00	Symposium 2
12.00–13.00	Symposium 3
13.00–14.00	Lunch break
14.00–14.50	Proffered Papers Chairs: Dina Kurdiani, Georgia & David Cibula, Czech Republic
14.50–15.20	Free communications (4–5 selected abstracts)
14.50–15.20	Keynote – The EU perspective on rare cancers <i>Jean Yves Blay, France</i> Chairs: Dina Kurdiani, Georgia & David Cibula, Czech Republic
15.20–16.00	Coffee break
16.00–17.00	Symposium 4
17.00–18.00	Rare Uterine Tumours – State of the Art Chairs: Domenica Lorusso, Italy & Frederic Amant, Belgium
17.00–17.30	Sarcomas of the uterus <i>Isabelle Ray-Coquard, France</i>
17.30–18.00	Carcinosarcoma, mucinous tumours, clear cell cancers & high grade serous cancers <i>Mansoor Raza Mirza, Denmark</i>
20.00–24.00	Networking event

Saturday, October 6

08.30–09.30	Rare Tumours of the Cervix and Vulva – State of the Art Chairs: Nicholas Reed, UK & David Cibula, Czech Republic
08.30–08.50	Small cell and neuroendocrine tumours <i>Nicholas Reed, UK</i>
08.50–09.10	Cancer in pregnancy <i>Frederic Amant, Belgium</i>
09.10–09.30	Glandular carcinomas of the cervix <i>Ate van der Zee, Netherlands</i>
09.30–10.00	Sponsored talk 1
10.00–10.30	Coffee break
10.30–10.50	Sponsored talk 2
10.50–12.00	Gestational Trophoblastic Tumours and Novel Therapies Chairs: Frederic Amant, Belgium & Philippe Morice, France
10.50–11.10	Gestational trophoblastic disease <i>Michael Seckl, UK</i>
11.10–11.30	Childhood gynaecological cancers <i>Jalid Sehouli, Germany</i>
11.30–12.00	Opportunities for exploring new treatments in rare gynaecological cancers <i>Sandro Pignata, Italy</i>
12.00–12.40	Highlights and Future Directions Chairs: Sandro Pignata, Italy & Jalid Sehouli, Germany
12.00–12.40	Conference highlights & perspectives on ESGO/ERN guidelines <i>Jonathan Ledermann, UK & Isabelle Ray-Coquard, France</i>
12.40–13.00	Closing ceremony
